Meet The Recording Club.

A members' recording studio and creative club in Santa Monica, Los Angeles, built for live music that gets recorded and filmed.

Live Room. The stage, with a starfield LED wall, six 6K studio cameras and a full lighting rig.

Mixing Room. A Trident 88 console that multitracks every set.

Recording, Rehearsal and Podcast Rooms. Working rooms, all under one roof.

Lounge, kitchen, mezzanine, courtyard. Where the hang happens.

therecording.club

CO-PRODUCED MONTHLY SINCE SEPTEMBER 2025

JammJam already has a home at TRC.

- Sep 17** MonoNeon
- Oct 23** 4 Korner + Mohini Dey
- Nov 19** Lettuce, with Blu DeTiger and CimaFunk
- Dec 10** The December JammJam

Vision, artist booking, front-of-house mix

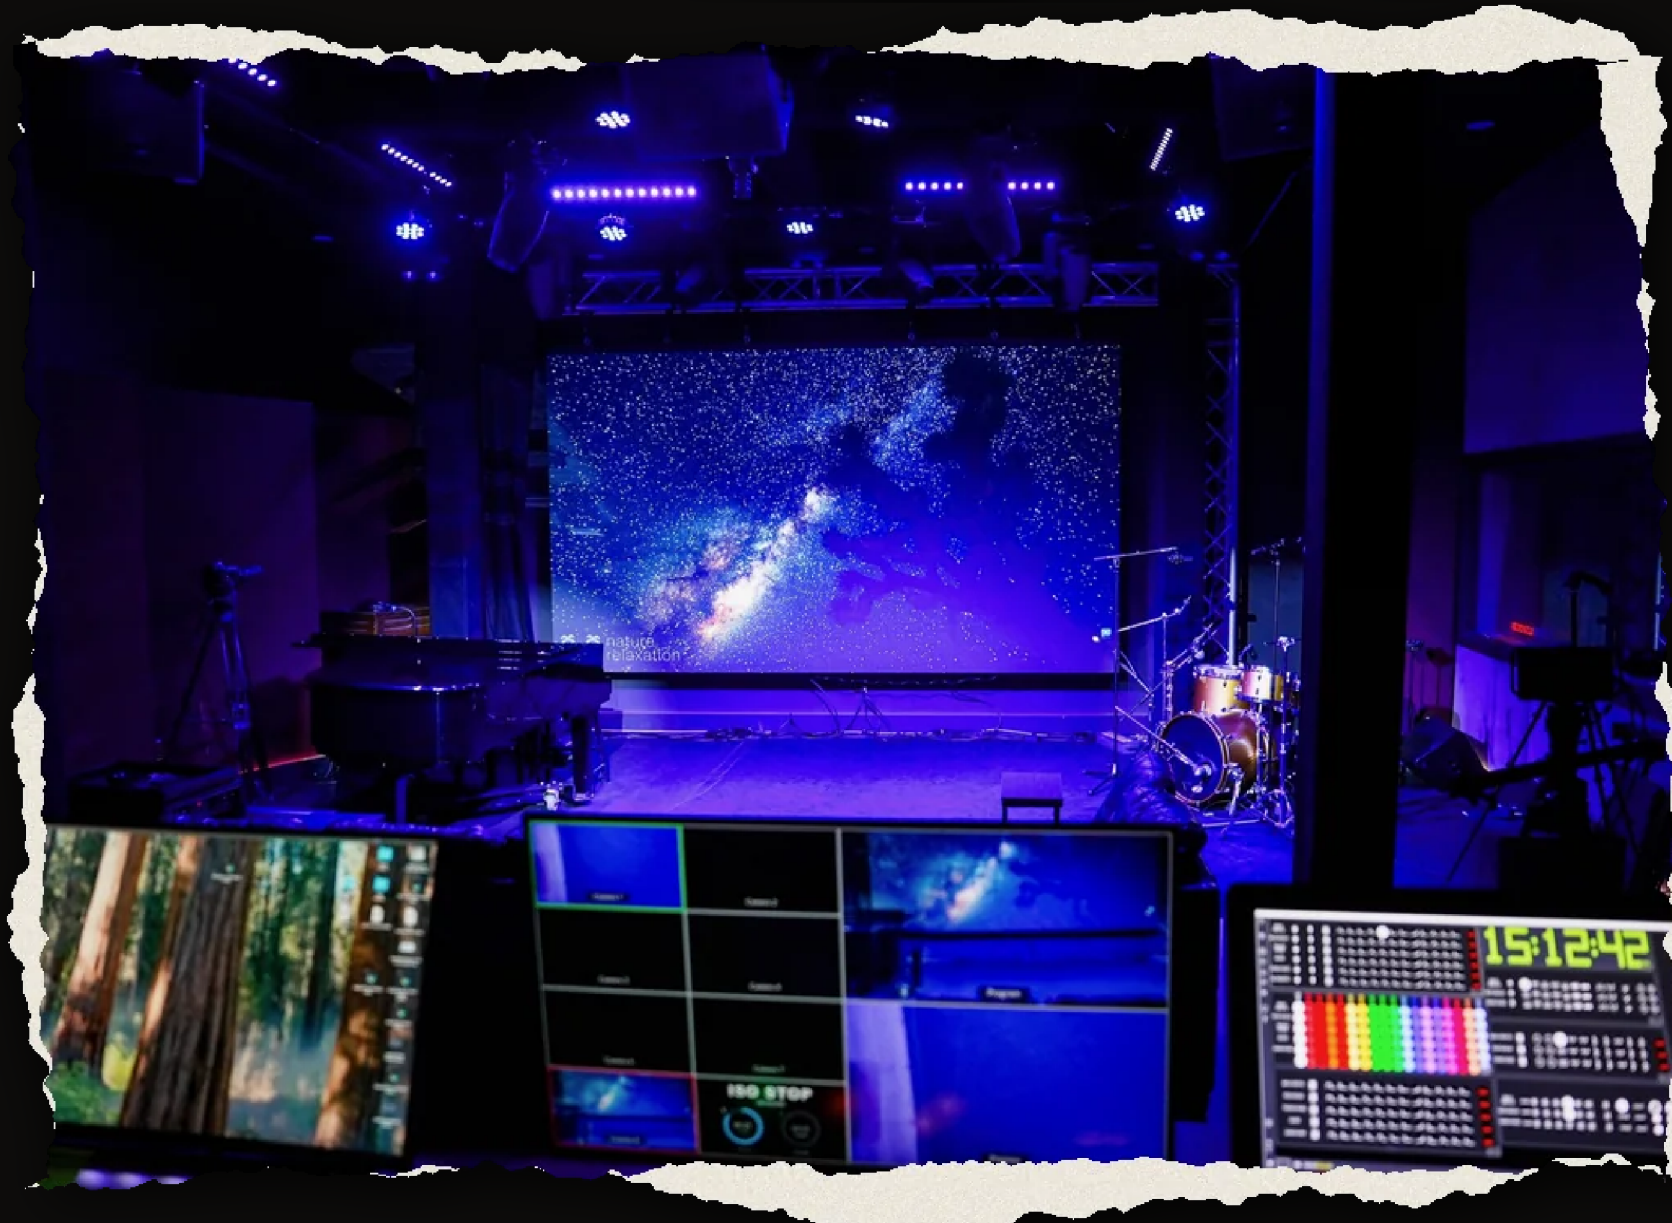

The Recording Club

Operations, logistics, technical production

Every night leaves with a record and a film.

- ◆ **In the round**, under an overhead sky camera, up to a seven-piece band.
- ◆ **Multicam in 6K**: three gimbal cameras, a front-of-house camera and the sky cam.
- ◆ **Multitrack** on the Trident console in the Mixing Room.
- ◆ **Lighting designer and haze**, plus a live feed to the lobby screens.

Proof: Spirit Fingers released five singles, Feb to May 2026, recorded live at JammJam.

Broadcasters already record here.

BBC Radio 1 Live Lounge

Sessions have been recorded at TRC: Frost Children (aired February 17, 2026) and Samara Cyn (June 2026).

CNN New Year's Eve

Aloe Blacc, taped on the Live Room floor, aired December 31, 2025.

Cory Henry

Livestreamed from TRC, April 19, 2025.

The night.

8 PM

Doors. Elmo and Greg open the night.

9 PM

Music starts. Recording rolls.

11 PM

The jam. Everyone in the room is fair game.

Between sets, guests spread through the kitchen, lounge and courtyard.

Partner with us.

Put your brand in the room, in the film and on the stream. One night or the full monthly run.

Naming

Your brand presents the night, on the invite, the LED wall and the film's title card.

In the room

Product in artists' hands and across the hang spaces.

Content

Clips and photos for your channels, cleared with the artists.

On camera

Placement in the multicam film and the live feed.

Guest list

Hosted access for your team and your guests.

Your idea

We build each partnership around what your brand needs.

Jammcard builds meaningful partnerships that last.
